Attention: Parents/Guardians

As we prepare for the upcoming 2025-2026 school year, we are pleased to share with you our updated pricing list.

We want to inform you that beginning this academic year, we will no longer be charging any additional fees to attend WBCS. Charges such as book fees and athletic fees have been done away with and replaced with a simpler one price method. We have also decided that we will no longer offer specific discounts such as multiple-child, church membership or alumni pricing. However, we have introduced a new financial aid program to ensure our educational programs remain accessible to all families. **If you are not currently receiving aid from the NC Opportunity Scholarship Program, your account will automatically be approved for our Institutional Aid from WBCS.** Please review our new price list very carefully and contact our school office with any questions or concerns.

North Carolina Opportunity Scholarship Program:

For those who did not apply, we want to inform you about the North Carolina Opportunity Scholarship Program, which expands school choice in North Carolina through scholarship grants for eligible children in K5 through the 12th grade. This program provides funding for eligible children who choose to attend a participating nonpublic school. Detailed information is available at [NCSEAA OPPORTUNITY SCHOLARSHIP](#).

We encourage you to review the new pricing list carefully and reach out to us with any questions or concerns you may have. Our goal is to work collaboratively with you to ensure a smooth transition into the new school year.

Thank you for your continued trust and partnership in your child's education at Woodland Baptist Christian School. We look forward to another successful year together.

Sincerely,
WBCS Administration
